**JOB POSTING**  
**A.E.W. LP**  
**Intermediate Impact**  
**Assessment Practitioner**

**Nlaka'pamux Nation**  
**Tribal Council**  

---

**A.E.W.LP**

**The Organization:**

A.E.W. LP was formed in 2017 by Nlaka'pamux Nation Tribal Council member communities to carry out "on the ground" work related to archaeology, the environment and wildlife protection. This work has been made necessary by activities of others within the Nlaka'pamux homeland including transportation, mining, forestry, oil and gas, and utilities projects. The Nlaka'pamux Nation Tribal Council is not opposed to development within our homeland, but developments and activities must be consistent with Nlaka'pamux title and rights.

**The Role:**

A.E.W. Limited Partnership (A.E.W. LP) is seeking a full-time on-going Intermediate Impact Assessment Practitioner based out of beautiful Kamloops, BC, or the Lower Mainland. This is a remote to semi-remote position depending on the candidate's preference. The Intermediate Impact Assessment Practitioner supports the development of environmental impact assessments, offers regulatory guidance, and supports the creation of technical reports. Reporting to the Impact Assessment Lead, the Intermediate Impact Assessment Practitioner will:

- Liaise with NNTC to gather direction on activities, work plans, and priorities needing to be executed.
- Operationalizes workplans within AEW including, but not limited to, working with multidisciplinary project teams with highly skilled specialists and professionals to ensure the technical work is getting done in accordance with Nlaka'pamux laws, policies, plans and standards.
- Support assigned project teams to identify the environmental and socio-economic effects of projects as well as mitigation options.
- Monitor regulatory compliance with approved Projects within the NNTC Homeland
- Implement communication processes with First Nations, communities, project proponents, stakeholder groups and the public to explain policies and procedures, identify and review project issues and concerns, and develop options and solutions to problems.
- Participate in the negotiation, coordination and development of environmental and socio-economic assessment requirements, standards, and agreements with project proponents and, communities.
- Research and participate in the development of new methodologies for conducting environmental and socioeconomic, health, and cultural assessments for use by project proponents, and other interested parties.
- Conduct research and maintain a current awareness of relevant technical and scientific information related to projects, environmental and socio-economic impact assessment and the environmental sciences.

*"Take care of the land, and the land will take care of you."*

**Requirements:**

- Degree in Environmental Science or related field
- Possession of or eligibility for a professional designation (e.g., R.P.Bio., P.Eng., P.Geo., P.Ag.).
- Experience supporting projects and environmental impact assessments, with knowledge in mining permits and applications and provincial legislation such as the BC Environmental Assessment Act, Environmental Management Act, Mines Act and Water Sustainability Act
- 3-5 years of related experience

**What makes you exceptional:**

- Knowledge of land and resource management issues, environmental, health, socio-economic and cultural issues related to major development projects.
- Knowledge of cultures, traditions, and lifestyles of the Nlaka'pamux and how they may be affected by developments.
- Knowledge of environmental science and environmental and socio-economic impact assessment methods, techniques and practices
- Excellent report writing, communication, facilitation, presentation, and interpersonal skills.
- Good management and leadership skills.
- Demonstrate innovative problem-solving and strong analytical skills that can be applied to resolving complex situations and increase efficiencies.
- Strong ability to prioritize and develop timelines to fit organizational demands
- Strong ability to build relationships, manage stress and work exceptionally well under pressure
- High level of proficiency with computer programs including Microsoft Office Suite (Word, PowerPoint, Excel, Outlook,)

**What makes AEW LP special?**

- Employee centered with the opportunity for personal development and growth.
- Be a part of a company that is inclusive and thriving.
- A competitive compensation package with a salary range of \$77,000 – \$88,000 per year.
- A matching group retirement pension program
- An Extended Health and Dental program
- Paid Vacation
- Flexible work schedules with work from home opportunities.
