
JOB POSTING
A.E.W. LP
Intermediate Wildlife Biologist

Nlaka'pamux Nation
Tribal Council
A.E.W.LP

The Organization:

A.E.W. LP was formed in 2017 by Nlaka'pamux Nation Tribal Council member communities to carry out "on the ground" work related to archaeology, the environment and wildlife protection. This work has been made necessary by activities of others within the Nlaka'pamux homeland including transportation, mining, forestry, oil and gas, and utilities projects. The Nlaka'pamux Nation Tribal Council is not opposed to development within our homeland, but developments and activities must be consistent with Nlaka'pamux title and rights.

The Role:

A.E.W. Limited Partnership (A.E.W. LP) is seeking an on-going full-time Intermediate Wildlife Biologist based out of beautiful Kamloops, BC.

We are in search of a highly motivated leader to work with the Wildlife department as the Intermediate Biologist to support and oversee wildlife related projects and programs that support the protection and advancement of Nlaka'pamux title and rights.

Reporting to the Wildlife Manager, the Intermediate Wildlife Biologist will:

- Collect, analyse and report on the collection of biological data.
- Lead in the design and implementation of biological programs.
- Recommend and implement programs for population monitoring, habitat design and effectiveness monitoring, resource planning, and risk mitigation.
- Conduct assessments and author reports that characterize wildlife populations and habitat impacts resulting from environmental changes, human activities, and harvesting practices.
- Maintaining calendars and scheduling for up to 40 field staff members
- Provide technical direction for large-scale construction projects including daily interaction with clients
- Implementation of mammal, amphibian and reptile salvage plans.
- Annual reporting for BC Wildlife Act permits
- Provide consultation on wildlife protection to developers and engineers.
- Provide oversight on provincial and federal regulatory requirements.
- Complete wildlife surveys (i.e., bats, amphibians, ungulates, breeding birds, raptors).
- Commitment to the protection and advancement of Nlaka'pamux title and rights.
- Working in partnership with members of the Nlaka'pamux Nation Tribal Council to ensure consistency of approaches and methodologies.

"Take care of the land, and the land will take care of you."

Requirements:

- B.Sc. in biology or related field is preferred.
- Registered Professional Biologist (RP. Bio) or able to apply.
- A minimum of 5 years of relevant experience.
- Possess a current and valid driver's License.

What makes you exceptional:

- Demonstrated experience working as a positive team contributor.
- Effective written and oral communication skills.
- Familiarity with British Columbia and Federal regulatory settings for environmental assessment and resultant project phases (e.g., construction, operations).
- High degree of technical aptitude in environmental assessment and wildlife biology.
- Excellent organizational skills (prioritizing, time management, record keeping, follow up).
- Exceptional attention to detail and accuracy.
- Proven ability to meet tight deadlines, manage conflicting priorities, and work well under pressure in a rapidly changing environment.

What makes AEW LP special?

- Employee centered with the opportunity for personal development and growth.
- Be a part of a company that is inclusive and thriving.
- A competitive compensation package with a base salary range of \$77,000 – \$88,000 per year.
- A matching group retirement pension program of up to 6%.
- An Extended Health and Dental program with an Employee Family Assistance Program.
- 3 weeks paid Vacation to start.
- 10 paid sick days
- Flexible work schedules with work from home opportunities.

Submit your cover letter and resume to:

Email: garchie@nntc.ca

In-person: #200-124 Seymour Street, Kamloops, BC.

The deadline for applications is open until filled.
