

JOB POSTING

Environmental Scientist

The Organization:

A.E.W. LP was formed in 2017 by Nlaka'pamux Nation Tribal Council member communities to carry out "on the ground" work related to archaeology, the environment and wildlife protection. This work has been made necessary by activities of others within the Nlaka'pamux homeland including transportation, mining, forestry, oil and gas, and utilities projects. The Nlaka'pamux Nation Tribal Council is not opposed to development within our homeland, but developments and activities must be consistent with Nlaka'pamux title and rights.

Why Work with Us?

A.E.W. LP is guided by a commitment to uphold Nlaka'pamux rights and environmental integrity. You will directly contribute to projects that respect and reinforce Nlaka'pamux values. We foster a supportive team environment where all voices are valued, and knowledge sharing is encouraged. We offer flexible work arrangements, including opportunities to work from home, and a strong emphasis on maintaining a healthy work-life balance with competitive compensation:

- Wage range of \$30.00 – \$34.00 per hour
- Matching Group Retirement Pension (1%–6%)
- Extended Health and Dental Benefits
- 2 weeks paid vacation plus approximately 5 additional paid days during the holiday season

The Role:

A.E.W. Limited Partnership (A.E.W. LP) is seeking a full-time on-going Environmental Scientist based out of beautiful Kamloops, BC. Guided by the principle, "we take care of the land, and the land will take care of us," we uphold our core values in every project. This position is ideal for someone who is looking to gain more experience to complete their professional designation as a Geoscientist. As an Environmental Scientist, you will be responsible for:

- Conducting environmental sampling of soil, surface, and groundwater.
- Conducting environmental inspections for environmental compliance.
- Providing Environmental Monitoring expertise to clients including habitat protection, sediment and erosion control, and water quality monitoring.
- Collecting discharge and stream flow (hydrometric) measurements.
- Basic surveying.
- Drone operation/data collection – LiDAR, photogrammetry, thermal imaging.
- Provide equipment calibration, maintenance, and tracking.
- Prepare project-specific Emergency Response Plans.
- Participate in basic memo/report writing, tabulating data, designing figures/drawings.

Take care of the land and the land will take care of you

- Assist in writing Environmental Protection Plans and Construction Management Plans
- Data Management

Requirements:

- A degree or diploma in environmental sciences, biology, natural resources, engineering, geology or related disciplines.
- 2-4 years of experience in environmental consulting or related works.
- Possess a current and valid driver's license with acceptable drivers abstract.
- An ability/interest to work in the field, occasionally in remote locations for extended periods of time.
- Located in Kamloops or willing to move to the Kamloops area.
- Physically fit and able to complete strenuous tasks such as hiking, snowshoeing, and carrying heavy supplies to sample sites.

What makes you exceptional:

- Drone and other technology (datalogger/computer) experience.
- Strong interpersonal and communication skills.
- Excellent organizational skills (prioritizing, time management, record keeping, follow up).
- Exceptional attention to detail and accuracy when collecting field notes.
- Proven ability to meet tight deadlines, manage conflicting priorities, and work well under pressure in a rapidly changing environment.
- Previous experience working with Indigenous community members.
- Strong team player, self-motivated and proactive thinker.
- Excellent computer skills, including knowledge of Microsoft Word, Excel, Project and Adobe Acrobat.
- Safety oriented, self-motivated team player
- Commitment to be a positive team member.
- Commitment to the protection and advancement of Nlaka'pamux title and rights

Submit your cover letter and resume to garchie@aewlp.ca or in person at 1212 McGill Street, Kamloops, BC. The deadline for applications is open until filled. *We thank all applicants in advance. Please self-identify, as preference will be given to Nlaka'pamux*
