

JOB POSTING

Junior Archaeologist

The Organization:

A.E.W. LP was formed in 2017 by Nlaka'pamux Nation Tribal Council member communities to carry out "on the ground" work related to archaeology, the environment and wildlife protection. This work has been made necessary by activities of others within the Nlaka'pamux homeland including transportation, mining, forestry, oil and gas, and utilities projects. The Nlaka'pamux Nation Tribal Council is not opposed to development within our homeland, but developments and activities must be consistent with Nlaka'pamux title and rights.
